

	<b>Gasgoo Automotive Components International Co., Ltd.</b> Main Products: Clutch Plate, Clutch Cover, Clutch Disc - Manufacturer				
Company Overview &Product Advantages:	We are located in Ningbo, Zhejiang Province, the southeast of China and specialized in truck / bus clutch plate, clutch cover and clutch disc ever since 1985. Our main production equipment and testing equipment have been imported from German since 1985, which can be operated by computers. The quality standard and production technical coefficient all reach the international advanced requirements. Our factory has ISO9001 certificate and manufacturing certificate.				
Business Type:	Manufacturer				
Export Market:	North America / South America / Western Europe / Eastern Europe / Eastern Asia / Southeast Asia / Mid East				
Featured Product Images:					
Total Models of this Product:	About 200 Models				
Main Applications & Models:	ISUZU: About 20 Models; VOLVO: About 10 Models; MERCEDES BENZ: About 20 Models; MITSUBISHI: About 20 Models; NISSAN DIESEL: About 20 Models; HINO: About 30 Models.				
Remark:	Port: FOB Ningbo;                      Payment Terms:T/T;                      Minimum Order Quantity: 100 Pieces; Supply Ability: 20000 Pieces per Month;                      Delivery Time: 15 days after comfirming order				

## Clutch Plate Catalogue

Item	OEM NO.	Reference NO.	Application	Size	Engine	In Inventory	Remark
